

# BE.DANCE

Launched in 2009, BE.Dance is a successful dance school for tots, kids and teens in South West London. Classes are held in Balham, Clapham Junction and Wandsworth town centre, after-school clubs are also held at Beatrix Potter, Henry Cavendish and Honeywell Infant and Junior Schools as well as Emanuel School. BE.Dance are extremely excited to be joining forces with Sheringdale School in September 2018!

Taught by highly qualified and enthusiastic teachers who are passionate about dance, these classes will motivate, encourage and inspire everyone who joins. Dance is an excellent and fun way to develop rhythm, coordination and performance skills, which in turn helps boost confidence as well as maintaining fitness levels.

BE.Dance focus on commercial and street dance styles - genres that appeal to all. We also draw upon influences from the world of musical theatre, jazz, hip-hop, tap, ballet and lyrical dance, creating inspiring choreography and developing students' technical skills. This strong and sassy dance style is hugely popular with our younger dancers, with funky and fresh choreography to the latest tunes.

Each year, BE.Dance hosts a summer dance show giving students the opportunity to strut their stuff on stage and experience performing to a large audience in a professional environment with costumes, lighting and a videographer. Our most recent performances have been held at The New Wimbledon Theatre. This is the highlight of the BE.Dance year and allows students to showcase what they have learnt and gain an insight into performing on stage.
