Privacy Notice for Parents and Carers

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils**.

We, Sheringdale School, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Gary Hipple, Head of Schools ICT, Wandsworth Borough Council (see 'Contact us' below).

Our legal basis for using this data

We only collect and use pupils' personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation
- We need it to perform an official task in the public interest

Less commonly, we may also process pupils' personal data in situations where:

- We have obtained consent to use it in a certain way
- We need to protect the individual's vital interests (or someone else's interests)

Where we have obtained consent to use pupils' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

Collecting this information

While the majority of information we collect about pupils is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you or your child, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

How we store this data

We keep personal information about pupils while they are attending our school.
