Dates for the Diary 2019

Dear Families,

Another half term has flown by and it's been as busy as ever here at Sheringdale. 3C have been very busy in the garden growing vegetables with Miss Clark and they have already harvested some radishes!

This term is when the national assessments are completed. The year six children were very well prepared and although there were naturally some nerves they were able to confidently do the tests with the caring support of the staff at school. The SATS breakfast was a chance to chat and relax with staff and friends before getting down to work. Year two have completed their assessments and this has all gone very well thanks to our dedicated and caring staff.

There have been a number of exciting projects going on. Year one and two are participating in the singing project which is kindly funded by the PTA, year two have visited Wimbledon Tennis Club and year one went to the Barnes Children's Literature Festival. We are looking forward to some exciting curriculum weeks next half term; Wellbeing week and STEM week.

I hope you have a great half term break,

Best wishes,

Sarah Jones

Inset day- school closed

Tuesday 23rd

Inset day - school closed

SEPTEMBER

Monday 2nd

**Inset day - school
closed**

Tuesday 3rd

Inset day - school closed

Wednesday 4th

Children return to school

Music assembly

The children really enjoyed singing along with the sound steps music school when they visited us for a morning full of fun.

Spring Concert

We had a fantastic turn out for the Spring concert. The children and teachers put in a lot of effort to create such a delightful performance for us all to enjoy.

Wimbledon Tennis - Year 2 trip

Year 2 visited the Wimbledon Lawn Tennis Museum and had a tour of the grounds.

Year 3 Roman Day

On Wednesday we had a Roman Day. We had lots of different activities. We had a guide who told us all about Boudicca. We were all dressed up like Romans. The guide made us feel like we were in the Roman times. We made things from: olive oil to Roman mosaics, animal charms, Roman lamps, wax tablets and writing on papyrus paper in Latin. In the afternoon we looked at artefacts in bags and had to figure out which one belonged to a spy.
- By Finn 3c

Year 3SB work share

3SB shared the fantastic work they have been doing in class with us all, well done for a great assembly.

Year 1W work share

Year 1 shared their knowledge of the painting of Mona Lisa and how it was stolen! Well done 1W.

Year 1 trip to the Barnes Literature festival

Year 1 travelled by coach to the Barnes Literature festival where they enjoyed a live performance of 'love your library' by Joseph Coelho.
