

**SHERINGDALE**

## Sheringdale Phonics Progression

Children at Sheringdale are taught to read through using synthetic phonics. We use material from Jolly Phonics Scheme to prepare lessons and the sequence of sounds taught follows is adapted from the Letters and Sounds order to correspond with our reading scheme.

In Early Years, all children are taught Phase 1 – Phase 3 content. Intervention and support is given to children who are showing difficulty in retaining the sounds and applying them in their decoding. .

In year 1, children usually move on to be taught Phase 4 and 5. Year 2 focuses on teaching the content of Phase 6. However, sometimes children progress slower or quicker than their peers. At all times, we look at the needs of individual children and ensure the curriculum coverage is meeting their needs, Intervention and additional phonics teaching is put in place to help and support children and sometimes stages are retaught and practiced more to help the children retain the sound in their long-term memory.

Sheringdale - Phase 1	
Children are taught about:	
Environmental sounds	
Instrumental sounds	
Body percussion (e.g. clapping and stamping)	
Rhythm and Rhyme	
Alliteration	
Voice sounds
