

Dear parents/carers,

**This week we have been:**

- Learning how to make sandwiches by ourselves. Children had a choice of fillings and bread and practised cutting, spreading and following instructions.
- Reading the book 'The Disgusting sandwich', Children have been talking and writing about their favourite sandwiches and their least favourite/disgusting sandwiches too!
- Learning to recognise, read and write the phonics sounds o,c,k,ck,e.
- having our flu vaccinations (some of us)
- having loads of fun doing a maths problem solving workshop in the hall! We were timed doing lots of different puzzles and had to do really good teamwork in our groups.

**Next week we will be:**

- having individual and sibling photos! This is will on Thursday 14th October. Children would usually come to school in PE kits but for this week children can come in their usual clothes, rather than being in PE kits for the photographs. Children will do a lower energy PE session without getting changed next week.
- Continuing our learning on 'The Disgusting sandwich' story, but focusing on story telling and story mapping.
- We will be taking our own 'disgusting sandwiches' on a journey around the indoor and outdoor areas to see what they can pick up along the way!
- matching amounts to numerals up to 20.

**You can help at home by:**

- asking 'can you give me \_\_\_\_ pencils?', 'can you count out \_\_\_\_ peas on your plate?' (practising matching amount to numeral)

Best wishes,  
Katie & Sarah
