

The header features a light green background with a blue border. It contains several decorative elements: a white handprint on the left, a blue handprint, a circular icon with a rocket and planets, a white handprint, a blue handprint, another circular icon with a rocket and planets, and a white handprint on the right. The title 'Reception Newsletter 1st April 2022' is centered in a white box with a blue border.

Reception Newsletter 1st April 2022

Dear parents/carers,

Thank you for a wonderful Spring Term! The children have made us SO proud!

Next half term we will be:

- Learning about 'in the sea and in the sky'
- We will spend the first three weeks learning about sea creatures, coral, different seas and oceans and pirates and mermaids. We will then spend the next three weeks learning about the sky—focusing on space, the planets and astronauts.
- We have provisionally booked (just waiting for the coach to confirm) a visit to The Golden Hinde ship for a pirate workshop on Tuesday 26th April. Please put this date in the diary and more information will follow on the first few days back with payment details and what children will need to bring! :)

You can help at home by:

All children should have brought home a phonics resource pack to support their phonics at home! We hope that children enjoy them and that you find them useful :) They are doing so well with their phonics! The phonics workshop slides should be put up onto the website onto the Reception Class Pages section soon.

We hope that everyone has a safe, happy and sunny (hopefully) Easter holiday.

We look forward to seeing you back at school on Tuesday 19th April.

Best wishes, Katie, Sarah and the EY Team
