

Reception Newsletter 14th October 2022

Dear parents/carers,

This week we have enjoyed sharing our favourite sandwiches and thinking about ingredients we would like to put into a healthy sandwich.

Thank you so much for donating your flour to Reception. We are very grateful for it and cannot wait to use it to make playdough in order to help the children with their motor skills.

This week we have been:

- reading 'The Disgusting Sandwich' by Gareth Edwards and opening a healthy sandwich shop.
- practising set 2 and some of set 3 of Phase 2 phonics with the sounds n, m, d, g, o.
- comparing non-identical group of numbers within 5 by using 1:1 correspondence and subitising.
- designing healthy sandwiches by choosing our favourite ingredients to make for the following week.
- practicing writing our name using the correct letter formations.

Next week we will be:

- continuing to read 'The Disgusting Sandwich' and making our own sandwiches.
- practising some of set 3 and set 4 of Phase 2 phonics with the sounds c, k, ck, e, u.
- looking at 3D shapes in the world and recognising some of their properties such as if they roll or stack.
- showing how well we can blend sounds when reading.
- building using the junk modelling equipment brought in from home.

You can help at home by:

- practise the letter formations of n, m, d, g, o.
- practise the sounds c, k, ck, e, u and blending words that may have these sounds in them.
- bring in any more recyclable materials for junk modelling.

Thank you for bringing in wellies for the children who would like to play in the mud kitchen. We would advise to keep any wellies in school.

Have a lovely weekend,
Annie, Lucy, Yasmin and Ginny
