Safeguarding Policy:

1. INTRODUCTION:

- 1.1 It is essential that **everybody** working in a school or college understands their safeguarding responsibilities. Everyone who comes into contact with children and families has a role to play ensuring children and young people are safe from abuse, neglect exploitation and harm. Our school is committed to safeguarding children and aims to create a culture of vigilance. All staff should make sure that any decisions made are in the best interests of the child.
- 1.2 Our pupils' welfare is our paramount concern. The governing body will ensure that our school will safeguard and promote the welfare of pupils and work together with agencies to ensure that our school has adequate arrangements to identify, assess and support those children who are suffering or where significant harm is likely. [Home - Wandsworth Safeguarding Children Partnership \(wscp.org.uk\)](http://Home - Wandsworth Safeguarding Children Partnership (wscp.org.uk))
- 1.3 Our school is a community and all those directly connected, staff members, governors, parents, families, and pupils, have an essential role to play in making it safe and secure for all.
- 1.4 This procedure document provides the basis for good practice within the school for Safeguarding work. It should be read in conjunction with the Wandsworth Safeguarding Childrens Partnership' safeguarding Policies and Procedures ([Policies and procedures - Wandsworth Safeguarding Children Partnership \(wscp.org.uk\)](http://Policies and procedures - Wandsworth Safeguarding Children Partnership (wscp.org.uk))). All documents are in keeping with relevant national procedures and reflect what the partnership considers to be safe and professional practice in this context.

2 OUR ETHOS:

- 2.1 We believe that Sheringdale should provide a caring, positive, safe, and stimulating environment that promotes the social, physical, spiritual, and moral development of the individual child; enabling all children to thrive.
- 2.2 We recognise the importance of providing an environment within our school that will help children feel safe and respected. We recognise the importance of enabling children to talk openly and to feel confident that they will be listened to. We recognise that both mental and physical health are relevant to safeguarding and the welfare of children
- 2.3 We recognise that all adults within the school, including permanent, supply staff, temporary staff, volunteers, parents, and governors, have a full and active part to play in protecting our pupils from harm.
- 2.4 We will work pro-actively with parents to build a solid understanding of the school's responsibilities to ensure the welfare of all children, including the need for referrals to other agencies in some situations.

3 SCOPE

- 3.1 In line with the law, this policy defines a child as anyone under the age of 18 years but in the case of SEN it is up to 25 years of age.
- 3.2 This policy applies to all members of staff in our school, including all permanent, temporary and support staff, governors, volunteers, contractors and external service or activity providers.

4 THE LEGAL FRAMEWORK

- 4.1 Section 175 of the Education Act 2002 places a duty on governing bodies of maintained schools and further education institutions (including sixth-form colleges) to make the necessary arrangements for ensuring that their functions relating to the conduct of the school are exercised with a view to safeguarding and promoting the welfare of children who are pupils at the school. Section 157 of the same Act places a similar duty on non-maintained and independent schools, including free schools and academies.
- 4.2 Under section 10 of the Children Act 2004, all maintained schools, further education colleges and independent schools, including free schools and academies, are required to co-operate with the local authority to improve the well-being of children in the local authority area.
- 4.3 Under section 14B of the Children Act 2004, the Local Safeguarding Children Board can require a school or further education institution to supply information to perform its functions. This must be complied with.
- 4.4 This policy and the accompanying procedure have been developed in accordance with the following statutory guidance and local safeguarding procedures:

Working Together to Safeguard Children: A Guide to Inter-Agency Working to Safeguard and Promote the Welfare of Children, July 2018:

<https://www.gov.uk/government/publications/working-together-to-safeguard-children--2>

5 ROLES AND RESPONSIBILITIES

- 5.1 Keeping Children Safe in Education (KCSIE) remained in force throughout the response to coronavirus (COVID-19). Guidance on keeping children safe in education continues to support the response to a pandemic if needed.
- 5.2 The school's Designated Safeguarding Lead (DSL) with overall designated responsibility for safeguarding is Jo Robinson. We have a deputy designated safeguarding lead, Des Nunes to ensure there is always appropriate cover for this role.

The Designated Safeguarding Lead and Deputy are on our school's leadership team and their role of Designated Safeguarding Lead (and Deputy) is explicit in their job description. The DSL and Deputy DSL have the appropriate authority and are given the time, funding, training, resources, and support to provide advice and support to other staff on child welfare and Safeguarding matters, to take part in strategy discussions and inter-agency meetings – and/or to support other staff to do so – and to contribute to the assessment of children. The

designated safeguarding lead (and deputy) are most likely to have a complete safeguarding picture and be the most appropriate person to advise on the response to safeguarding concerns. (KCSIE, 2022 para 103).

- 5.3 The school has a nominated governor, Debbie Lawrence, responsible for safeguarding to champion good practice, to liaise with the head teacher and to provide information and reports to the governing body.
- 5.4 The case manager for dealing with allegations of abuse made against school staff members is the head teacher. The case manager for dealing with allegations against the head teacher is the chair of governors, Debbie Lawrence.
- 5.5 The head teacher or proprietor will ensure that the policies and procedures adopted by the governing body are fully implemented and sufficient resources and time are allocated to enable staff members to discharge their safeguarding responsibilities. All staff and other adults are clear about procedures where they are concerned about the safety of a child, including if children go missing from education.
- 5.6 The governing body is collectively responsible for ensuring that safeguarding arrangements are fully embedded within the school's ethos and reflected in the school's day-to-day practice.
- 5.7 All staff members, governors, volunteers, and external providers know how to recognise signs and symptoms of abuse, how to respond to pupils who disclose abuse and what to do if they are concerned about a child. They are aware that behaviours and physical signs linked to behaviours that put children in danger. All staff should know what to do if a child tells them he/she is being abused or neglected. Staff should know how to manage the requirement to maintain an appropriate level of confidentiality. This means only involving those who need to be involved, such as the designated safeguarding lead (or a deputy) and children's social care. Staff should never promise a child that they will not tell anyone about a report of abuse, as this may ultimately not be in the best interests of the child. Safeguarding issues can manifest themselves via child-on-child abuse. This may include, but not limited to bullying (including cyber bullying), gender-based violence/sexual harassment, sexual violence and assaults, harmful sexual behaviour, and sexting. Staff should recognise that children are capable of abusing their peers.
- 5.8 Staff must challenge any form of derogatory and sexualised language or behaviour. Staff should be vigilant to sexualised/aggressive touching/grabbing DfE guidance situates sexual violence, sexual harassment, and harmful sexual behaviour in the context of developing a whole-school safeguarding culture, where sexual misconduct is seen as unacceptable, and not 'banter' or an inevitable part of growing up. Advice about tackling and reporting sexual harassment in schools, colleges and educational settings is here: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/999239/SVSH_2021.pdf)

It should be recognised that these issues are likely to occur, and so schools should have procedures in place to deal with them. Groups at particular risk include girls, students who identify as Lesbian, Gay, Bisexual, Transgender+ (LGBT+), or are perceived by peers to be LGBT+, and pupils with SEND. We recognise that these children can be targeted by other children, so it is vital your school provide a safe space for these children to speak out and share their concerns with members of staff. Pupils are protected from up skirting, bullying (+ cyber), homophobic, biophobic, and transphobic behaviour, racism, sexism, and all other forms of discrimination.

Staff have familiarity with the Equality Act 2010 and the Public Sector Equality Duty (PSED), the Human Rights Act 1998 and recent reforms to the Act and how they apply to safeguarding

<https://www.gov.uk/government/consultations/human-rights-act-reform-a-modern-bill-of-rights/outcome/human-rights-act-reform-a-modern-bill-of-rights-consultation-response> ,

Our school acknowledges the need to treat everyone equally, with fairness, dignity and respect. Any discriminatory behaviours are challenged, and children are supported to understand how to treat others with respect. We also have a statutory duty to report and record any of the above incidents.

The appropriate safeguarding lead person should be familiar with the full guidance from the UK Council for Internet Safety (UKCIS), Sharing nudes and semi-nudes: advice for education settings working with children and young people;

<https://www.gov.uk/government/publications/sharing-nudes-and-semi-nudes-advice-for-education-settings-working-with-children-and-young-people>

It is important that schools record incidents across the whole spectrum of sexual violence, sexual harassment, and harmful sexualised behaviours so that they can understand the scale of the problem in their own schools and make appropriate plans to reduce it.

The guidance covers: It covers what sexual violence and harassment is, schools' and colleges' legal responsibilities, a whole school or college approach to safeguarding and child protection and how to respond to reports of sexual violence and sexual harassment

Children may not feel ready to, or know how to tell someone they are being abused, exploited or neglected, but this shouldn't stop staff from having a professional curiosity and speaking to the DSL.

All such incidents should be immediately reported to the Designated Safeguarding Lead (DSL) or equivalent and managed in line with your setting's child protection policies. Victims of harm should be supported by the school's pastoral system, and their wishes and feelings considered and that the law on child-on-child abuse is there to protect them, not criminalise them.

There is a bespoke helpline for children and young people who have experienced abuse at school, and for worried adults and professionals that need support and guidance. If you are concerned about something, you can contact the NSPCC helpline Report Abuse in Education on 0800 136 663 or email help@nspcc.org.uk.

- 5.9 There is a Digital Safety policy, which covers the use of mobile phones, cameras, and other digital recording devices e.g., i-Pads. For online safety, there is within the policy support about children accessing the internet whilst they are at school using data on their phones (3G or 4G networks). The policy reinforces the importance of online safety, including making parents aware of what your school ask children to do online (e.g., sites they need to visit or who they'll be interacting with online)

Governing bodies and proprietors are doing all that they reasonably can to limit children's exposure to the risks from the school's or college's IT system and ensure the school or college has appropriate filters and monitoring systems in place and regularly review their effectiveness.

The leadership team and relevant staff have an awareness and understanding of the provisions in place and manage them effectively and know how to escalate concerns when identified.

The policy for remote learning that demonstrates an understanding of how to follow safeguarding procedures when planning remote education strategies and teaching remotely. The school maintains the capability to provide remote education when it is not possible for some or all their pupils to attend in person. (All IT policies are located on the t:drive and relevant information is on the website)

6 SUPPORTING CHILDREN

6.1 We recognise that children who are abused or witness violence (Domestic Abuse) are likely to have low self-esteem and may find it difficult to develop a sense of self-worth. We also recognise children who witness domestic abuse are victims, that witnessing domestic abuse can have a lasting impact on children, and that children can be victims in their own relationships too <https://www.gov.uk/guidance/domestic-abuse-how-to-get-help> They may feel helpless, humiliated and some sense of blame. Our school may be the only stable, secure, and predictable element in their lives.

6.2 We accept that the behaviour of a child in these circumstances may range from that which is perceived to be normal to aggressive or withdrawn.

6.3 Our school will support all pupils by:

- ensuring the content of the curriculum includes social and emotional aspects of learning; Through PSHE, RHSE and other curriculum contexts, pupils are encouraged to talk about feelings and deal assertively with pressures, are listened to, and know to whom they can turn to for help and advice.
- providing pupils with a range of appropriate adults to approach if they are in difficulties; and ensuring that pupils are taught about safeguarding so that they 'recognise when they are at risk and how to get help when they need it'.
- supporting the child's development in ways that will foster security, confidence and independence and encourage the development of self-esteem and self-assertiveness while not condoning aggression or bullying; (The anti-bullying policy is located on the school website).
- ensuring a comprehensive curriculum response to online safety, enabling children and parents to learn about the risks of new technologies and social media and to use these responsibly; plus, Relationship and Sexual Health Education (RSHE) requirements.
- liaising and working together with other support services and those agencies involved in safeguarding children, including domestic abuse; <https://www.gov.uk/government/consultations/domestic-abuse-act-statutory-guidance>
- ensuring that the curriculum will help children stay safe, recognise when they do not feel safe and identify who they might or can talk to and will support young people to become more resilient to inappropriate behaviours towards them, risk taking behaviours and behaviours that children may be coerced into including, sexual harassment, peep-on-peer abuse, 'sexting' and the displaying of 'Harmful Sexualised Behaviour'; <https://www.csacentre.org.uk/resources/key-messages/harmful-sexual-behaviour/>
- The school will consider intra familial harms and any necessary support for siblings following a report of sexual violence and/or harassment.
- Having a behaviour policy that is aimed at supporting vulnerable pupils in the school. The school will ensure that each pupil knows that some behaviour is unacceptable but that they

are valued and not to be blamed for any abuse which has occurred; (The behaviour policy is located on the school website).

- The behaviour policy outlines measures to prevent bullying, including cyber-bullying, prejudice-based and discriminatory bullying.
- Clear procedures are in place for addressing and minimising the risk of child-on-child abuse, including harmful sexual behaviours, sexual violence, and sexual harassment - these procedures are easily understood and easily accessible. Children who have experienced sexual violence can display a wide range of responses, so the school will remain alert to the possible challenges of detecting those signs and show sensitivity to their needs.
- Playing a crucial role in preventative education and preparing pupils for life in modern Britain. There is a culture of zero tolerance to sexism, misogyny/misandry, homophobia, biophobic and sexual violence/harassment. This will be underpinned by the school's behaviour policy, pastoral support system and a planned programme of RSHE delivered regularly, tackling issues such as: boundaries; consent; body confidence; stereotyping; and sexual harassment.
- Acknowledging the importance of 'contextual safeguarding', <https://contextualsafeguarding.org.uk/> which considers wider environmental factors in a pupil's life that may be a threat to their safety and/or welfare. (Working Together to Safeguard Children 2018 and KCSIE September 2022).
- Liaising with a range of Early Help agencies that support the pupil such as Health Services, Wandsworth Social Care, Child and Adolescent Mental Health Services, Education Welfare Services, Special Educational Support Services, Youth Services, and the Educational Psychology Service.
<https://www.gov.uk/government/publications/promoting-children-and-young-peoples-emotional-health-and-wellbeing>
- Ensuring that, when a pupil who is the subject of a Child Protection (CP) Plan leaves, their information is transferred to the new school within two weeks and that the child's Social Worker is informed that the child has moved.
- Alert the authority if it is aware of any child being care for under a Private Fostering arrangement (<https://fis.wandsworth.gov.uk/>). On admission to school, and at other times, the school will be vigilant in identifying any private fostering arrangement.
- Acknowledging that a child that is looked after (CLA) or has been previously looked after by the Local Authority potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep CLA and previously looked after children safe. It is important that all agencies work together, and prompt action is taken on concerns to safeguard these children, who are a particularly vulnerable group.
- Applying disciplinary measures such as restraint or isolation in response to incidents involving children with special educational needs and disabilities (SEND), by considering the risks carefully, given the additional vulnerability of the group.
- Recognising that to safeguard a pupil, it may be necessary to use restraint and yet restraint is likely to impact on the well-being of the child. By planning positive and proactive behaviour support, schools and colleges can reduce the occurrence of risky behaviour and the need to use restraint. Guidance is available here:

<https://www.gov.uk/government/publications/use-of-reasonable-force-in-schools>

7 SAFEGUARDING PROCEDURE

- 7.1 We have developed a structured procedure in line with *Wandsworth Safeguarding Children Partnership* which will be followed by all members of the school community in cases of suspected abuse.
- 7.2 In line with the procedures, the Multi Agency Safeguarding Hub will be contacted as soon as there is a significant concern: (See Key Contacts for further details)
- 7.3 The name of the Designated Safeguarding Lead will be clearly advertised in the school and on the website, with a statement explaining the school’s role in referring and monitoring cases of suspected abuse.
- 7.4 We will ensure all parents and carers are aware of the responsibilities of staff members to safeguard and promote the welfare of children by publishing the policy and procedures on our website and by referring to them in our introductory school materials.
- 7.5 We will use the NSPCC- When to call the police to help designated safeguarding leads understand when they should consider calling the police and what to expect when they do.

8 DEALING WITH A DISCLOSURE MADE BY A CHILD – ADVICE FOR ALL MEMBERS OF STAFF

- 8.1 If a child discloses that he or she has been abused in some way, the member of staff or volunteer should consider ways to:

Receive - Listen actively, open body language, accept, non-judgmental. Use TED (tell, explain, describe)

Reassure - ‘You’ve done the right thing by coming to me’, re-assure child that you have listened and hear what they are saying; don’t promise what can’t be delivered

Respond - Tell what you are going to do and do it. Ensure child is ok before leaving

Report - As soon as possible, to the Designated Senior Lead (DSL) in the school / setting

Record - Vital to stick to the facts, no opinions – Think about When? Where? Who? What?

Review – Take responsibility to follow up any referral (via your DSL)

In addition:

- Inform the Designated Safeguarding Lead without delay and follow safeguarding process.
- Add all the information to the schools Child Protection Management System (CPOMS) and pass it to the DSL and Deputy DSL.

Dealing with a disclosure from a child and safeguarding issues can be stressful. Consider seeking support for yourself and discuss this with the DSL.

Further information about what to do if you are worried that a child is being abused is available here in advice for practitioners: <https://www.gov.uk/government/publications/what-to-do-if-youre-worried-a-child-is-being-abused--2>

The role of an appropriate Adult in Safeguarding:

The Police and Criminal Evidence (PACE) act advises that “The role of the appropriate adult (AA) is to safeguard the rights, entitlements and welfare of juveniles and vulnerable persons”, with there being further elaboration that the AA is expected to observe that the police are acting properly and fairly in relation to a vulnerable detained persons rights and entitlements, as well as helping the detained person understand their rights.

The role of AA is not restricted to specific individuals, in relation to children and young people under the age of 18, PACE guidance sets out that the AA can be: the parent, guardian or, if the juvenile is in the care of a local authority or voluntary organisation, a person representing that authority or organisation.

<https://safeguarding.network/content/safeguarding-and-the-role-of-the-appropriate-adult/>

RECORD KEEPING

- 8.2 All concerns, discussions and decisions made and the reasons for those decisions **must** be recorded via: CPOMS as soon as possible and to be used to capture the child’s voice and their daily lived experience.
- 8.3 We will continue to support any pupil leaving the school about whom there have been concerns by ensuring that all appropriate information, including Safeguarding and welfare concerns, is forwarded under confidential cover to the pupil’s new school as a matter of priority.
- 8.4 Schools should have at least two emergency contacts for every child in the school in case of emergencies, and in case there are welfare concerns at the home to reduce the risk of not making contact with family members where welfare and/or safeguarding concerns are identified. (Keeping Children Safe in Education 2022)

DISCUSSING CONCERNS WITH THE FAMILY AND THE CHILD – ADVICE FOR THE DESIGNATED SAFEGUARDING LEAD (DSL) AND DEPUTY DSLs

- 9.1 In general, you should always discuss any concerns the school may have with the child’s parents. They need to know that you are worried about their child. However, you should not discuss your concerns if you believe that this would place the child at greater risk or lead to loss of evidence for a police investigation.
- 9.2 If you make a decision not to discuss your concerns with the child’s parents or carers, this must be recorded in the child’s Safeguarding file with a full explanation for your decision and the reason for this decision.
- 9.3 It is important to record and consider the child’s wishes and feelings, as part of planning what action to take in relation to concerns about their welfare. Capturing the lived experience of the child is paramount to ensure that actions remain child-centred to capture the child’s lived experience and their own words when possible.
- 9.4 When talking to children, you should take account of their age, understanding and preferred language, which may not be English. It is also important to consider how a SEND child may need support in communicating.

- 9.5 How you talk to a child will also depend on the substance and seriousness of the concerns. You may need to seek advice from the MASH or the police to ensure that neither the safety of the child nor any subsequent investigation is jeopardised.
- 9.6 If concerns have arisen because of information given by a child, it is important to reassure the child but not to promise confidentiality.
- 9.7 It is expected that you discuss your concerns with the parents and seek their agreement to making a referral to the MASH, unless you consider that this would place the child at increased risk of significant harm.
- 9.8 You do not need the parents' consent to make a referral if you consider the child needs protection, although parents will ultimately be made aware of which organisation made the referral. If parents refuse to give consent to a referral but you decide to continue, you need to make this clear to the MASH.
- 9.9 If you decide to refer the child without the parents' consent, make sure to record this with a full explanation of your decision.
- 9.10 When you make your referral, you should agree with the MASH what the child and parents will be told, by whom and when. The school as a relevant agency, should be part of discussions with statutory safeguarding partners to agree to the levels for the different types of assessment as part of local arrangements.

MAKING A REFERRAL - If a child or young person is at risk of harm, abuse or neglect please report it to the MULTI AGENCY SAFEGUARDING HUB (MASH)

10 SAFER WORKFORCE AND MANAGING ALLEGATIONS AGAINST STAFF AND VOLUNTEERS (This procedure is detailed in Appendix document)

- 10.1 We will prevent people who pose risks to children from working in our school by ensuring that all individuals working in any capacity at our school have been subjected to safeguarding checks in line with *Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges, September 2022*. In addition to obtaining the DBS certificate, anyone who is appointed to carry out teaching work will require an additional check to ensure they are not prohibited from teaching.

A check of any prohibition can be carried out using the Teacher Services' system that may be found here: <https://teacherservices.education.gov.uk/>

Prohibition orders are described in the National College for Teaching and Leadership's (NCTL) publication Teacher misconduct: the prohibition of teachers. It can be found here:

<https://www.gov.uk/government/publications/teacher-misconduct-the-prohibition-of-teachers--3>

- 10.2 We will ensure that agencies and third parties supplying staff provide us evidence that they have made the appropriate level of safeguarding checks on individuals working in our school. See Appendix document, for information on Single Central Record (SCR). The single central record must cover the following people: all staff, including teacher trainees on salaried routes, agency and third-party and supply staff who work at the school. The Single Central Record is located on the Office drive.
- 10.3 Every job description and person specification, and job advertisement will have a clear statement about the safeguarding responsibilities of the post holder. The school website will echo this within our 'work for us' section. The school will consider carrying out an online search on shortlisted candidates to help identify any issues that are publicly available online.
