Miscellaneous	Smoothie Bike hire for Healthy Schools days	£1,000
Total		£19,500

Impact

- A full program of school sports, competitions, festivals and events was able to run last year (2022-23). We entered a record number of competitions and festivals and the largest number of children participated in these events than ever before. Children sport events participation per year group were as follows:
 - Yr 6 – 152 children competed

- Yr 5 – 71 children competed
 - Yr 4 – 32 children competed
 - Yr 3 – 20 children competed
 - KS1 – 6 children competed
-
- There were also high levels of participation in after school clubs last year which raised the daily activity levels for our children.
 - The morning fun run has proved popular amongst children and was run twice a week during the year.
 - The orienteering plates were re-instated last spring and the Yr 6's enjoyed learning their map reading skills during their outdoor learning sessions.
 - The Healthy Activity Days at the end of the school year were very engaging and the children had a lot of fun whilst learning about healthy living and getting fit! The Smoothie Bikes were a big part of this and despite the expense, were well worth it.

In the Academic Year (2023 - 2024) the school plans to spend their funding (est £19,500) as follows:		
Spend on	Aim	Funding allocated
The engagement of all pupils in regular physical activity	To ensure high quality delivery of PE lessons across all year groups and a range of sports. To provide a wide range of sports clubs available to all pupils and including funding for PP and SEND pupils	£4,000
PE Equipment and kit	<ul style="list-style-type: none"> • Updating of PE equipment • Athletics and Sports day equipment • Replacing playground equipment • Inspection and repair of gym equipment 	£4,000
PE Structural changes	<ul style="list-style-type: none"> • New line markings in the Juniors and infants playgrounds 	£7,000
Joining local sports organisations	To ensure maximum opportunities for children to engage in competitive inter school sport including festivals via membership of: The Putney Primary Schools Sports Association (PPSSA) The Wandsworth School Games Association Southfields Academy Swimming Pool Hire costs	£250 £300 £600
Additional staffing and competitions	Providing cover for teaching staff so that pupils can take part in competitions and matches during the school day.	£2,000
Additional swimming lessons	During the summer term we will take all the non-swimmers in Y4 & Y6 for intensive swimming lessons.	£600
Miscellaneous	Various items	£500
Total		Est £19,300

Sheringdale Primary School Sports Report

At Sheringdale Primary School we aim to provide high quality physical activity during the school day as well as extra-curricular opportunities. The school provides 2 ½ hours of P.E. every week for children in KS1 and KS2 which is often boosted by the large amount of extra-curricular activities that are on offer throughout the year. The school employs a team of 2 specialists to deliver PE.

We have a full schedule of competitions booked in for the year. We are taking advantage of the increasing amount of opportunities for girls to compete in a variety of sports. This has increased the enthusiasm and demand for clubs and extra training. We will continue to enter other competitions and festivals that will offer valuable experiences to many children from Year 1 to Year 6.

Another of our key targets this year is to improve the playtime experience for all children by developing playground activities through training of TA's and playleaders and purchasing of new equipment and painting new markings for games in the playgrounds.
