### 1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

### 2. Legislation and guidance

This policy is based on the Pupil premium 2023 to 2024: conditions of grant for local authorities, published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

### 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

### 4. Use of the grant

At Sheringdale we are committed to ensuring our children achieve their full potential. We aim to provide a broad and balanced curriculum, supported by outstanding teaching and robust analysis of attainment and progress.

We identify all pupil premium/disadvantaged children to ensure we narrow the gaps, where necessary. Any barriers to learning are quickly identified; monitored and targeted interventions are designed to meet individual needs. All children are encouraged to participate in a wide range of extra-curricular activities, which will further develop their learning, social skills and confidence.

Senior management, governors and class teachers carefully monitor the attainment and progress of pupil premium pupils and use this information to identify strengths and weaknesses in order that interventions and support can be properly targeted. Through analysis of data and by looking at the individual needs of the children we make decisions about how to use the funding.

We believe in the importance of early intervention to ensure pupils are secure with spoken language, English and Numeracy. It is also important to focus on developing personal and social skills and to work with parents to maximise the pupils' education.

We aim for disadvantaged pupils to maximise their potential, not simply meet Age Related Expectations.

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra one-to-one or small-group support
- High quality teaching that meets the needs of all learners.
- Running booster classes before or after school (for children in Year 6 and Year 5 in the summer term)
- Funding educational trips and visits
- Funding support for children who speak another language
- Pastoral support and programmes designed to improve behaviour and engagement to school where this has become a barrier to learning.
- To provide wrap around care at the beginning and end of the school day.
- In house training for staff to support individual children.

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online.

Our pupil premium strategy is available here:

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what the school should publish online.

## **5. Eligible pupils**

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6.

Eligible pupils fall into the categories explained below.

### **5.1 Ever 6 free school meals**

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### **5.2 Looked after children**

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

### **5.3 Post-looked after children**

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

### **5.4 Ever 6 service children**

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
