

## Equality Objectives

The Equality Act 2010 places a general Public Sector Equality Duty (PSED) on all public bodies, including schools. The duty requires all public bodies to proactively take steps to -

- Eliminate discrimination, victimisation and harassment;
- Advance equality of opportunity between groups of people of diverse backgrounds and with diverse needs; and
- Foster and promote good relations between such groups of people.

### **Proposed Sheringdale Equality objectives:**

- To monitor the attainment and progress of all children, with a particular focus on closing the gap for disadvantaged children and children with SEN
- To promote spiritual, moral, social and cultural development when deciding on the range of clubs that we offer the children
- To monitor the children attending school journeys, ensuring every child has the opportunity to attend

### **Review**

The school promotes a wide variety of clubs both during the day and after school. The clubs we provide are reviewed on a termly basis.

**We continue to closely monitor the achievement of all groups of children and ensure that interventions and support are put in place where necessary.**

The office staff monitor the children signing up for school journeys. Every child has the opportunity to attend and there is a hardship fund for any families that need financial support. Meetings are held in school, prior to the school journeys, to inform pupils and parents of individual trips.
