This is a wonderful achievement for the children, families and staff at the school and is the result of teamwork. Well done and congratulations to everyone!

There have been so many enriching and uplifting events and visits this term from the summer fair to PGL and all the days out. Thanks to the PTA for all the organising and support in paying for coaches.

We will be saying goodbye to some of our valued teachers. Thanks, and all the very best to Emma Souter and Matthew Rice who are off on new adventures.

I hope you all have a lovely summer and look forward to welcoming everyone back in September.

Best wishes,

*Sarah*

## Early Years

In Reception, we enjoyed making gingerbread biscuits and eating them, after focusing on the story The Gingerbread man! We read the story We're going on a bear hunt and enjoyed going on a sensory walk to 'find the bear'. We explored the season of Summer and noticed the changes happening around us and designed our own ice cream shop menus and of course, we had to eat ice cream

## YEAR 4

What a last term! Year 4 went on a trip to Hobbledown Farm where they had a guided tour round the animals learning interesting facts about lemurs, capybaras and a whole array of interesting animals.

They have also been on an epic adventure at PGL - raft building, rock climbing, singing campfire songs, working together as a team and so much more. They enjoyed a two-night stay at Windmill hill.

With outstanding team support, they all smashed sports day!
