An Important Notice About Your Rights To Duplicate

With the purchase of this product, you (one teacher or director) may legally duplicate the reproducible students' pages for use with your students, no matter how many students you have, even if you work with more than one school or with more than one congregation. Permission to duplicate and/or share any of the contents or recording, including posting to any Internet sharing site, with anyone else is **not** granted and is considered a copyright infringement. Permission is granted to duplicate the accompanying recording for back-up purposes only.

Please don't teach your students to steal.

The people who write and publish these resources depend on their sales for their livelihood. Not only is it illegal for you to freely duplicate or share their work without their permission, it is also unfair, and it sets a bad example for your students. We ask that you respect and support our rights as we respect yours.

Thank you.

We'LL Figure IT Out

Workin' the numbers on my page. Can't seem to make them all behave.
Just something hard about it. Can't get my arms around it.
But help is here so it's okay.

We'll figure it out! We'll turn it around! Whenever the world is upside down.
We'll try it again! We'll never give in! No matter how long it takes us.
We'll figure it out!

Watchin' the clouds up in the sky.
Hopin' the sunshine can peak by.
Though we can't change the weather,
We'll put our heads together.
And make our own sunny day.

We'll figure it out! We'll turn it around!
Whenever the world is upside down.
We'll try it again! We'll never give in!
No matter how long it takes us.

We'll figure it out! We'll turn it around!
Whenever the world is upside down.
We'll try it again! We'll never give in!
No matter how long it takes us.
We'll figure it out!
We'll figure it out!
We'll figure it out!
We'll figure it out!
