Impact

- A full program of school sports was run last year (2025-26) and Sheringdale entered a large number of competitions and festivals for children of all ages.
- Children on the SEN register performed particularly well in PE assessments.

- There were also high levels of participation in after school clubs last year which raised the daily activity levels for our children. SEN and PP children were offered 1st choice of after school clubs and 80% of them signed up and participated

Sheringdale Primary School Sports Report

At Sheringdale Primary School we aim to provide high quality physical activity during the school day as well as extra-curricular opportunities. The school provides 2 ½ hours of P.E. every week for children in KS1 and KS2 which is often boosted by the large amount of extra-curricular activities that are on offer throughout the year. The school employs a team of 2 specialists to deliver PE.

We have a full schedule of competitions booked in for the year. We are taking advantage of the increasing amount of opportunities for girls to compete in a variety of sports. This has increased the enthusiasm and demand for clubs and extra training. We will continue to enter other competitions and festivals that will offer valuable experiences to many children from Year 1 to Year 6.
