

Subtraction:

$$51 - 24 = \boxed{}$$

[illegible]

$$65 - 36 = \boxed{}$$

Subtraction:

$$23 - 17 = \boxed{}$$

$$44 - 28 = \boxed{}$$

Create Your Own Subtraction:

$$\boxed{} - \boxed{} = \boxed{}$$

A 10x10 grid with the following content:

- Top-left cell (row 1, column 1): "T O"
- Second row, first column: "-"
- Third row, first column: Two horizontal lines

$$\boxed{} - \boxed{} = \boxed{}$$

A diagram on a blue grid background. It shows two horizontal black lines. Above the top line is a minus sign (-). Above the space between the two lines are the letters 'T' and 'O'.

Create Your Own Subtraction:

$$\boxed{} - \boxed{} =$$

$$\boxed{} - \boxed{} =$$
