

Addition:

$225 + 17 = \boxed{}$

	H	T	O
	2	2	5
+		1	7

$345 + 39 = \boxed{}$

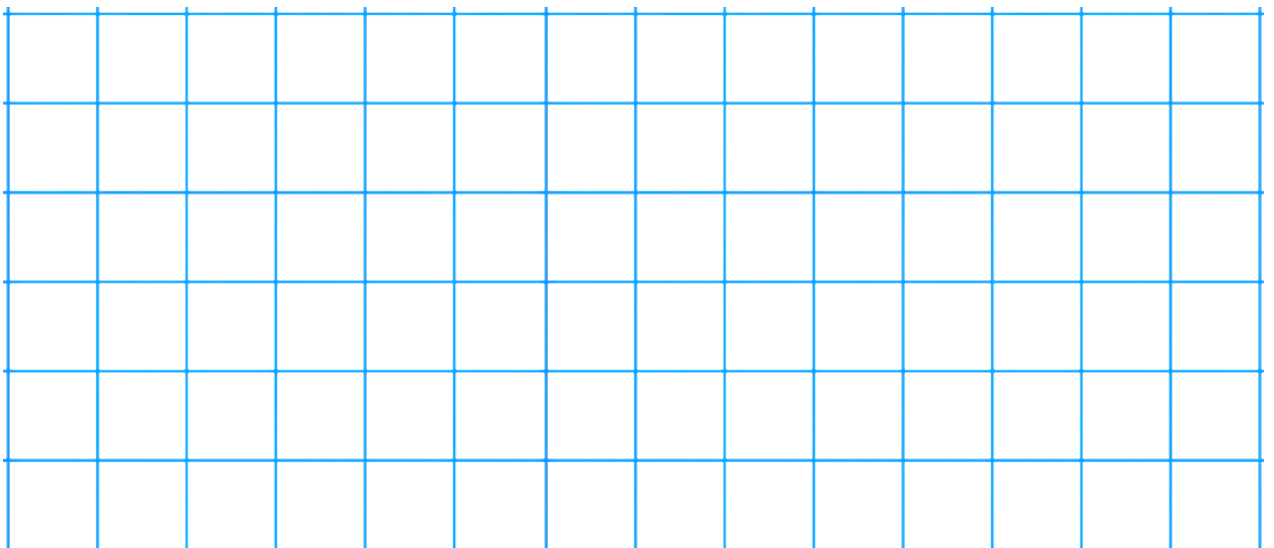

Addition:

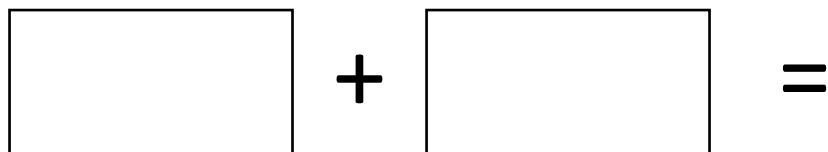

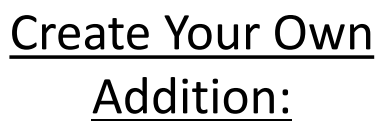

$$268 + 154 = \boxed{}$$

$$341 + 359 = \boxed{}$$

A handwriting practice grid with blue lines. The letters 'H', 'T', and 'O' are written in a row. Below them, a '+' sign is followed by two horizontal lines, indicating a space for practice or a continuation of the exercise.

$$\boxed{} + \boxed{} =$$

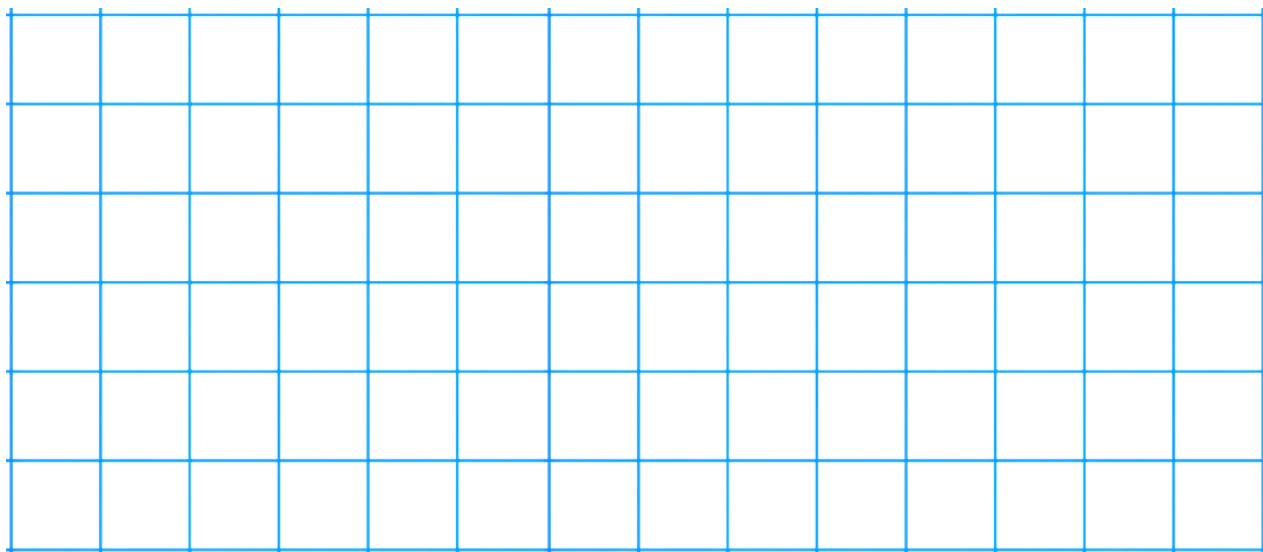

A handwriting practice grid with 15 columns and 10 rows. The first row contains the chemical formula 'H2O' in a large, black, sans-serif font. The second row contains a plus sign '+' in the same font. Below the plus sign, there are two horizontal black lines spanning from the first column to the fourth column, indicating the baseline for the next row of text.
