

Dear parents/carers,

**This week we have been...**

- Creating potions and spells by using words such as cat, hat and cup
- Learning about capacity in maths with the terms full, empty and half full. We also looked at comparing different quantities.
- We have been practicing the sounds we have already learnt and singing Jolly Phonics and actions to reinforce this.
- We have been talking about Bonfire night and why we celebrate it. The children have created some lovely fireworks art to go with this topic.
- We have been exploring Autumn, looking at the different leaves and thinking about the weather.

**Next week we will...**

- Read the story The Everywhere Bear
- Looking at simple addition such as  $1+3$  and representing it in different ways
- Creating poppies for Remembrance day
- Revisiting the sounds n, d, g, o, c, k
- Continue to practise our letter formation each day.

**Additional Information...**

- It is Children in Need next Friday 13th. This means that we are going to be asking children to dress up in either their best Pudsey attire, in the colour yellow like Pudsey bear, or in polkadots. There will be a donation bucket at drop off and pick up.
- Please ensure that your child brings a coat in as the weather gets colder. It would be good if you can practice with your child how to put their coat on and zip it up themselves.
- We kindly remind you that once your child comes through the gate in the morning, you move on to avoid crowding. We appreciate your co-operation during this difficult time.

**We hope that you have a lovely weekend.**
