Social story for Covid-19 January 2021

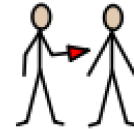

We

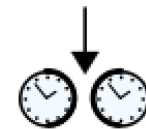

will

see

you

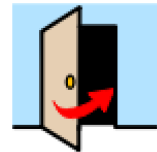

soon!

School

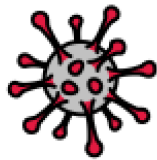

was

closed

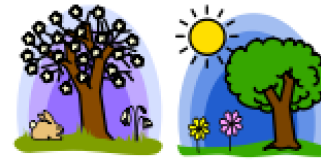

because of

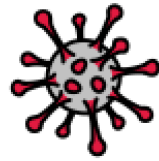

coronavirus

last

Spring/Summer

Coronavirus

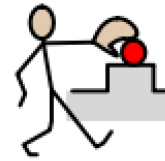

means

people

can

get

poorly

We

stop

coronavirus

by

washing hands,

social distancing

+

staying

home

when

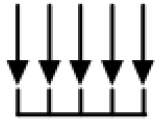

we

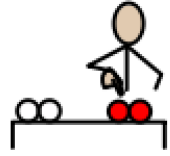

can

Doing

all

these

things

will

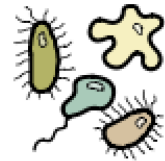

help

stop

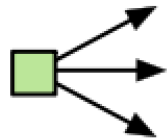

the

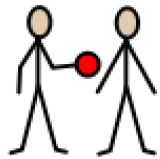

germs

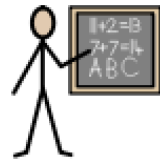

from

spreading

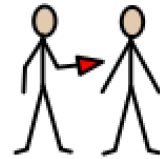

Your

teachers

want

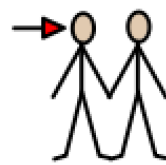

you

to be

safe

so

they

may

be

sending

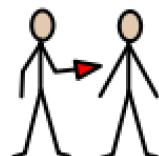

work

home

for

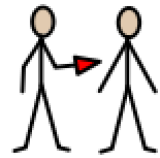

you

to

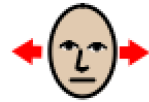

do

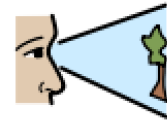

You

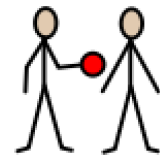

might

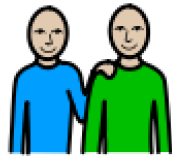

not

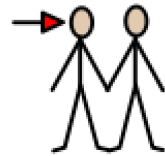

see

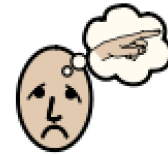

your

friends

but

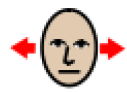

miss you

too

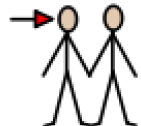

Why

not

write

them

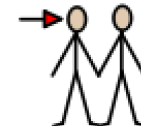

a letter

or

draw

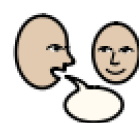

them

a picture

to

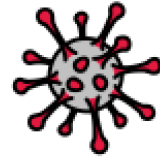

say

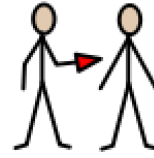

hello

Because of

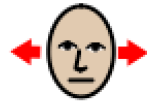

coronavirus

you

might

not

be able

to

visit

some

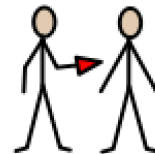

people

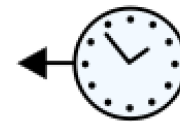

and

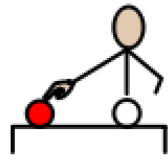

places

you

used to

That's

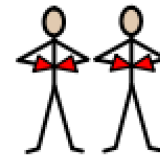

okay

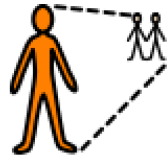

because

it means

we

are

social distancing

to

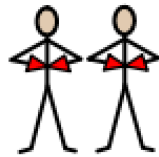

keep

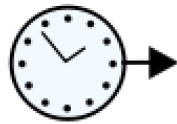

us

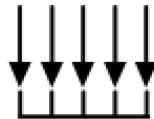

safe

We

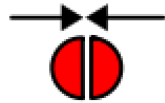

will

all

come back

together

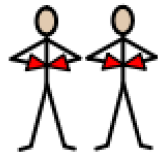

when

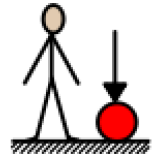

it is

safe

We

stay at

home

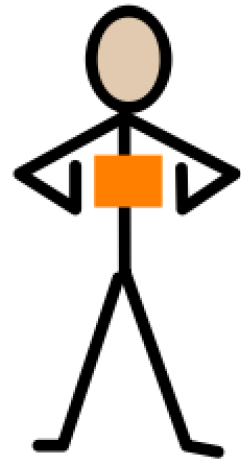

because

it is

safe

Keep

smiling
